What is Twilight Meridian?

Twilight Meridian is a fully scripted gothic/noir audio drama set in the fictional city of Jericho, Connecticut that explores themes of grief, loss, duality, and the ability of love to transcend death.

About the Show

Drawing inspiration from both Lovecraftian horror and classic hardboiled detective fiction, Twilight Meridian is a gothic horror series with elements of noir and odyssey adventure that explores themes of grief, loss, duality, and the ability of love to transcend death. It follows Rebecca, an English woman living in America, as she searches for her husband, the wealthy industrialist Maximus, who mysteriously disappears in the wake of a family tragedy.
